1411 CHAVEZ WAY | SAN JOSE

The high vaulted ceiling and wide passageways create a delightful open feeling yet the floor plan simultaneously creates partial privacy. With both a living room and a family room, you can choose whether to get together in a more formal setting or in an informal setting open to the kitchen. The modern kitchen has beautiful golden stained wood cabinets and dark polished stone countertops.

Convenient living: H Mart, 99 Ranch Market, Sprouts, and Costco are nearby.

Nearby activities for your whole family: minutes walk to Townsend Park and children's playground. The San Jose Golf Course is 3 houses down and across Townsend Ave. Fresh air, open space, and relaxation for everyone.
