This delightful condo, located on the top two floors of a three story building, has abundant convenience. It is located only a short walk away from the Homestead Shopping Center, is walking distance to multiple parks, even walking distance to De Anza College, and has easy access to commute routes. Apple is only 2.3 miles away. This home has a partially open floor-plan with the kitchen, dining room and living room all open to each other. A vaulted ceiling, a sliding glass door opening to a large balcony, and clerestory windows create an open, light filled, space. Wood laminate flooring with a hand-hewn surface add a natural feeling to a bright modern design. The bright cheerful kitchen features modern appliances. The upstairs floor has a bedroom and a bathroom providing a tranquil area. Both bathrooms have a modern design.
