Modern Light-Filled End Unit Townhouse

This cheerful modern end unit townhouse is but a hop and a skip away from the Bay Trail. Double pane windows and a fireplace will keep you cozy warm on cool days. Natural light filled rooms and tall ceilings will keep you from missing the outdoors. However, when you want to step outside you have a large patio or a peaceful garden sitting area to choose between. Shad Park, Turnstone Park, and the Joy Restaurant are each about one block away.

This home's modern kitchen has a granite topped center island creating plenty of space for preparing meals. Gleaming white cabinets, premium stainless steel appliances, and a wood plank floor help create a delightful kitchen.
