This spacious 4 bedroom home is located up a short private hillside driveway and has panoramic views of the San Francisco Bay below. The wide open tranquility provided by its location make this home a paradise. The view includes the Dumbarton Bridge, the San Mateo Bridge, the Bay Bridge, and even the Golden Gate Bridge. With ample undeveloped land, parks, and hillsides nearby, deer are regularly seen.

A marble floored foyer welcomes guests into the home. Entertaining and meetings are made easy with a formal living room, a formal dining room, and a marble floored office. The spacious kitchen features a top of the line Viking gas range, chef's oven, and granite slab countertops. A large redwood deck, has views of the SF Bay.
