Unique Bay-View Shaped Light Filled Bedrooms

This distinctive multi-level home combines dramatic, light-filled living spaces with a remodeled kitchen, warm bamboo flooring, and inviting outdoor areas surrounded by mature trees. The vaulted living room features exposed beams, recessed lighting, large windows with leafy views, and an open connection to the kitchen, where an expansive quartz topped island, contrasting painted cabinetry, stainless steel appliances, gas range, and abundant natural light create an impressive centerpiece for everyday living and entertaining. Bright bedrooms, updated bathrooms, an open dining area, practical laundry room, a detached garage, and generous patio and deck spaces add comfort, versatility, and functionality throughout the property.
