An Exceptional Willow Glen Home

This superbly rebuilt 3-bedroom, 2-bathroom Willow Glen home has 1,850 square feet of modern living on a 7,134 square foot lot. Quality is evident with its exceptional 2010-era remodel featuring hickory hardwood floors, slab granite countertops, cherry cabinets, and stainless steel appliances in the open-concept kitchen. The functional, stylish floor plan includes designer tiles, energy-saving extras, and a huge master bedroom. The large fenced yard provides a sizeable lawn area, a large patio, fruit trees, and is surrounded by mature shade trees in the parking strip.

This "Walker's Paradise" boasts a 91 Walk Score. The monthly social San Jose Bike Party is delightful to watch as it passes through Minnesota Ave at night, a couple of times a year with colorful lighting and music. There is also an annual community gathering with food stalls, items for sale, jumping houses for kids, and music.

The home puts you barely 0.6 miles from Willow Glen's downtown Lincoln Ave and its many restaurants, shops, and businesses. Notable places include Willow Glen Creamery, Taqueria Tlaquepaque on Willow St, Souvlaki Greek Skewers on Minnesota Ave (2 minute walk), Safeway Supermarket (7 minute walk), and Tamen Light Rail Caltrain Station (0.4 miles). Numerous more attractions are less than a 5 minute drive away. There is easy access to commute routes.
